1. Company Overview & Mission Statement

Overview

MotoCura is a tech startup transforming automotive logistics and mobility across Africa. We provide a one-stop digital platform where users can easily **rent vehicles, request repairs, or purchase automotive parts and accessories** all through trusted vendors and verified service providers.
Our mission is to make mobility **simpler, smarter, and more sustainable**, bridging the gap between technology, ethics, and convenience.

Mission

To **redefine access to automotive essentials** by creating a platform that offers fast, transparent, and eco-friendly services while promoting **customer-first practices** in every transaction.

Purpose

MotoCura exists to solve one major problem: the stress and inefficiency of getting reliable automotive services in Africa. From long queues at fuel stations to unreliable car rental options and high repair costs, we are here to **simplify mobility** and **empower both drivers and service providers** with digital tools.

Core Values

- **Integrity:** We uphold transparency, fairness, and ethical business practices in line with Islamic finance principles.
- **Innovation:** We use AI, automation, and real-time data to improve delivery and logistics efficiency.
- **Sustainability:** We care for the planet through eco-friendly logistics and reduced carbon emissions.
- **Customer Focus:** Every feature and service is designed around convenience, trust, and reliability.
- **Empowerment:** We create opportunities for local vendors, mechanics, and drivers to grow their businesses through technology.

Goals

1. To become Africa's leading digital automotive marketplace within five years.
2. To expand MotoCura's car rental and repair network across multiple African cities.
3. To integrate advanced AI tools for predictive maintenance and smart delivery.
4. To promote sustainable and ethical automotive practices aligned with global SDG goals.
5. To build lasting partnerships with manufacturers, logistics companies, and fleet owners.

2. Service Portfolio

Overview

MotoCura provides a full range of **automotive mobility services**from on-demand repairs to rentals and vehicle purchases—delivered through a seamless, tech-powered platform. Our goal is to make access to automotive essentials **quick, affordable, and reliable** for both individuals and businesses.

A. Motor Repair Services

Our repair service connects customers with **certified mechanics and garages** across different cities.
Features include:

- **On-demand bookings:** Schedule repair or maintenance directly through MotoCura's support channels.
- **Pickup & delivery:** Vehicles can be picked up for repair and delivered upon completion.
- **Transparent pricing:** Customers receive clear quotes before service begins.
- **Warranty coverage:** All repairs are backed by MotoCura's limited service warranty.
- **Service types:** Engine diagnostics, oil change, brake and suspension repair, tire replacement, and electrical system checks.

B. Car Rental Services

MotoCura offers **affordable and flexible car rental options** for personal and business use.
Features include:

- **Wide range of vehicles:** Sedans, SUVs, and minibuses for daily, weekly, or monthly rentals.
- **Flexible plans:** Short-term and long-term rental options.
- **Driver or self-drive:** Customers can choose to rent with or without a driver.
- **Easy booking:** Rentals can be arranged via WhatsApp or social media until the app launches.
- **Real-time assistance:** Dedicated customer service team to confirm availability and handle requests quickly.

C. Vehicle Purchase Services

MotoCura connects buyers with **trusted dealerships and certified pre-owned vehicle vendors**. **Features include:**

- **Verified listings:** Every vehicle is inspected and certified before listing.
- **Flexible payment options:** Transparent pricing and Shariah-compliant payment structures.
- **After-sale support:** Assistance with documentation, transfer of ownership, and maintenance.
- **Delivery nationwide:** Doorstep delivery available for selected vehicle purchases.

MotoCura — Repair Workflow Guide

Purpose

This guide standardizes how repairs are handled across MotoCura's network so customers get fast, transparent, and reliable service every time.

1. How customers request a repair

Options: WhatsApp, Instagram/FB DM, phone, or chat agent (app coming soon).

Required info from customer:

- Full name & contact number
- Vehicle make, model & year
- Registration/plate number
- Location (pickup address)
- Short description of the problem (photos or short video strongly encouraged)
- Preferred pickup time/date

Chat template (WhatsApp):
"Hi MotoCura — I need a repair. Vehicle: Toyota Corolla 2018. Plate: ABC-123. Location: 12 Main St, Lagos. Issue: braking noise (see attached). Preferred pickup: Tomorrow 9am."

2. Initial triage & quote (within 2–6 hours)

1. Customer service reviews request and attached photos.
2. If obvious, provide an **estimated quote range** and ETA for pickup. If unclear, schedule a short diagnostic (on-site or at garage).

3. Confirm consent to estimated cost and pickup time.

SLA: Respond to new repair requests within 6 hours during business hours.

3. Pickup & transport (same day or scheduled)

- Vendor/mechanic assigned based on proximity, specialization, and availability.
- Customer receives pickup confirmation with driver name, vehicle, and ETA.
- Vehicle is transported to partner garage if on-site repair not possible.

Customer message example:
"Pickup confirmed: Driver John (0812xxx). ETA 10:15. Vehicle taken to AutoFix Garage for inspection. You'll get updates here."

Notes: Pickup fee applies if outside free-radius; customers are informed up front.

4. Diagnostic & final quote (within 24–48 hours of pickup)

- Full diagnostics performed; detailed report created (issues, parts needed, labor estimate, time to complete).
- Report sent to customer for approval. No repairs start without customer sign-off (except emergency safety fixes, which are flagged and approved post-fix).

Customer approval template:
"We found: brake pads worn (front), rotor resurfacing needed. Parts: ₦X. Labor: ₦Y. Estimated completion: 2 days. Reply 'APPROVE' to proceed."

5. Parts ordering & repair execution (1–7 days depending on parts)

- If parts are in stock: repair begins immediately.
- If parts must be ordered: vendor provides expected delivery time; customer is kept updated. MotoCura sources parts from verified vendors only.
- Mechanics follow standard repair checklist and document work performed with before/after photos.

Quality control: Senior mechanic or partner quality officer inspects completed work before customer notification.

6. Customer notification & payment

- When repair is complete, customer receives:
  - Itemized invoice (parts + labor + taxes + pickup/delivery fees)
  - Before/after photos and brief report
  - Warranty info and next recommended service date

Payment options: Bank transfer, POS on delivery, or secure payment link. All payments and receipts recorded.

7. Delivery & handover (same day after payment)

- Vehicle returned to customer's specified address or picked up from garage per customer preference.
- On delivery, driver/technician conducts a brief walkthrough with the customer, showing repaired items and any replaced parts. Customer signs delivery acceptance.

Delivery checklist for customer to sign:

- Vehicle condition checked (scratches/dents noted)
- Repair items confirmed working (e.g., brakes tested)
- Invoice received and payment method confirmed
- Warranty terms acknowledged

8. Warranty, returns & follow-up

- **Warranty:** Repairs covered for the specified period (e.g., 30–90 days depending on service). Warranty covers faulty workmanship and defective parts (subject to terms).
- **Returns/claims:** Customer opens a claim via WhatsApp/chat; MotoCura logs and assigns for inspection within 24–48 hours.
- **Follow-up:** Automated check-in at 3 days and 14 days post-delivery to confirm satisfaction.

9. Emergency & priority repairs

- For roadside emergencies or safety-critical issues, MotoCura offers emergency response (on-site fix or tow) with higher SLA and priority band for parts. Customer is given immediate safety fixes and a final invoice after approval.

10. Escalation & dispute resolution

- Level 1: Customer Service Agent handles first contact & clarifications.
- Level 2: Operations Manager reviews disputes about quality or billing (response within 48 hours).
- Level 3: If unresolved, matter goes to Senior Management for final review (resolution target 7–14 days). All records, photos, and invoices are attached to the case.

11. Documentation & data management

- All repair records, photos, invoices, warranty terms, and customer communications are stored securely per MotoCura's privacy policy.
- Access limited to authorized staff; data used to build vehicle history and predictive maintenance models.

12. KPIs & performance targets

- First response time: ≤6 hours
- Diagnostic completion (after pickup): ≤48 hours
- Repair completion rate on first attempt: ≥90%
- Customer satisfaction score: target ≥4.5/5
- Warranty claim resolution within 7 days: ≥95%

13. Vendor & mechanic standards

- Certified mechanics only; periodic quality audits.
- Vendors must meet KPI thresholds and accept MotoCura's standard service and warranty terms.
- Parts suppliers are vetted for authenticity and warranty coverage.

14. Sample timelines (typical cases)

- **Minor service (oil change, filter):** 24 hours from booking.
- **Brake pads & rotors (if parts in stock):** 48–72 hours.
- **Engine diagnostics + parts replacement (ordered):** 3–7 days depending on lead time.

15. Customer-friendly tips to include in chat responses

- "Please send a 10–15 second video of the problem — it helps us triage faster."
- "If you need the car urgently, tell us and we'll flag it as priority."
- "We keep replaced parts for you to inspect on delivery."

1. Terms & Conditions

Introduction

Welcome to **MotoCura** — a tech-driven platform providing automotive services such as car rentals, repairs, and vehicle sales. By accessing or using our services, you agree to the following Terms and Conditions.

These terms are designed to ensure a transparent, secure, and fair experience for both our customers and partners.

1.1 General Usage

- MotoCura operates as a platform connecting customers with verified service providers, vendors, and drivers.
- All users must provide accurate and truthful information when booking, renting, or purchasing.

- Services are provided subject to availability and location coverage.

1.2 Payments & Fees

- Payments must be completed before service or upon delivery, through approved MotoCura channels.
- All prices are clearly communicated before transactions. No hidden charges.
- Refunds (if applicable) follow MotoCura's **Warranty & Return Policy**.

1.3 Cancellations & Refunds

- Rental or repair cancellations must be made at least 24 hours in advance.
- Late cancellations (less than 24 hours) may attract a service charge.
- Refunds are processed within 5–10 business days after approval.

1.4 Liability & Responsibilities

- MotoCura is not responsible for damages or losses caused by user negligence, unauthorized modifications, or third-party interference.
- Customers are responsible for ensuring the accuracy of their service requests and vehicle details.
- Any transaction done outside Motocura app won't be held against Motocura

1.5 Privacy & Data Protection

- MotoCura respects user privacy. Personal data is collected and processed only to facilitate service delivery.
- Information is protected under MotoCura's **Privacy Policy** and applicable data protection laws.

1.6 Dispute Resolution

- Any disputes will first be handled through MotoCura's internal resolution process.
- If unresolved, matters may be referred to a neutral arbitration body.

1.7 Updates to Terms

MotoCura reserves the right to modify these Terms & Conditions as needed. Updates will be communicated through our official channels.

2. Rental Agreement Template

This Rental Agreement ("Agreement") is made between:

MotoCura Limited, hereafter referred to as *"the Company"*, All rental services are done through Motocura

3. Purchase Agreement Template

This Vehicle Purchase Agreement ("Agreement") is made between:

MotoCura Limited, hereafter referred to as *"the Seller"*, and
[Customer's Full Name], hereafter referred to as *"the Buyer."*

1. Vehicle Information

- Make & Model: _____
- Year: _____
- Vehicle Identification Number (VIN): _____
- Mileage (if pre-owned): _____
- Condition: ☐ New ☐ Certified Pre-Owned

2. Purchase Price & Payment Terms

- Total Purchase Price: ₦_____
- Deposit Paid: ₦_____
- Balance Due: ₦_____
- Payment Method: ☐ Bank Transfer ☐ Card ☐ Financing ☐ Other _____
- Payment Deadline: _____

All transactions comply with **Shariah-compliant, interest-free (riba-free)** financing principles.

3. Delivery & Transfer of Ownership

- Ownership transfers to the Buyer upon full payment and signing of documents.
- Vehicle delivery or pickup will be arranged at the Buyer's preferred location.
- The Seller provides all necessary registration and documentation.

4. Warranties

- New vehicles are covered by the manufacturer's warranty.
- Certified pre-owned vehicles include a 90-day limited MotoCura warranty (engine, transmission, and key systems).
- Warranty exclusions: accidents, misuse, or unauthorized modifications.

5. Returns & Refunds

- Returns allowed only if a major mechanical defect is discovered within 7 days of delivery.
- Refunds (if applicable) processed within 10 business days after inspection.

6. Liability

MotoCura is not liable for:

- Third-party damages post-transfer of ownership.
- Unauthorized modifications or aftermarket parts added after purchase.

7. Dispute Resolution

Disputes will first go through MotoCura's internal resolution process before external arbitration.

8. Governing Law

This Agreement is governed by the laws of the Federal Republic of Nigeria.

Signatures

Buyer: _____
Seller (MotoCura Rep): _____
Date: _____

4. Warranty & Return Policy

Overview

MotoCura provides a fair and transparent warranty policy to ensure customer confidence and satisfaction across all services repairs, rentals, and vehicle purchases.

1. Repair Warranty

- Covers defects in parts and workmanship for **30–90 days** depending on service type.
- If a covered issue reoccurs, MotoCura will fix it at no additional cost.
- Warranty void if:
    - Vehicle is serviced by unauthorized workshops.
    - Parts are tampered with or replaced by the user.
    - Damage results from negligence or accidents.

2. Rental Policy

- Rented vehicles are inspected before and after each use.
- If a vehicle develops a mechanical fault not caused by the renter, MotoCura provides a replacement or full refund for unused days.
- Late returns or user-caused damages are billed separately.

3. Vehicle Purchase Warranty

- **New Vehicles:** Covered under manufacturer's warranty (typically 2–5 years).
- **Pre-Owned Vehicles:** MotoCura's 90-day limited warranty covers essential components (engine, gearbox, brakes).
- **Non-covered items:** Tires, batteries, wear-and-tear parts, paint, and interiors unless otherwise stated.

4. Return Conditions

- Returns must be requested within **7 days** of delivery.
- Vehicle must be in the same condition as received (no new damage or modifications).
- Refunds processed within **10 business days** after inspection and approval.

5. Refund Process

1. Customer submits return request with reason and photos (via WhatsApp or support email).
2. MotoCura acknowledges within 24 hours and schedules an inspection.
3. If approved, refund is processed via the original payment method.

6. Limitations

- Warranty does not cover accidental damage, misuse, or third-party interference.
- Warranty service may be denied if full payment for the service has not been made.
-

7. Commitment MotoCura is dedicated to ethical, transparent, and sustainable practices that ensure customers always get the best value and peace of mind.

5. Privacy Policy

1. Purpose

This Privacy Policy explains how **MotoCura Limited** collects, uses, and protects your personal information when you interact with our services including rentals, repairs, purchases, or communications through WhatsApp, social media, and our platform.

2. Data We Collect

- Personal details (name, phone number, email address, home/work address).
- Vehicle details (make, model, plate number).
- Payment and transaction information.
- Communication records (calls, chats, messages).

3. How We Use Your Data

- To provide, manage, and improve MotoCura's services.
- To confirm bookings, deliveries, and repairs.
- To process payments securely.
- To send updates, receipts, and customer care messages.
- To improve marketing and user experience through analytics.

4. Data Protection

- All customer data is stored securely and accessible only to authorized personnel.
- We use encryption and verification to prevent unauthorized access.
- Data is retained only for as long as necessary to fulfill service purposes.

5. Sharing of Information

- MotoCura does not sell or rent user data.
- Data may be shared with verified partners (mechanics, rental agents, logistics providers) **only** to complete your service.
- Third parties are bound by confidentiality and data protection agreements.

6. Your Rights

Customers have the right to:

- Request access to their personal data.
- Request correction or deletion of their data.
- Opt out of promotional communications at any time.

7. Legal Compliance

MotoCura complies with Nigeria Data Protection Regulation (NDPR) and international privacy standards.

8. Contact

6. Customer Service FAQ

Welcome to MotoCura Support

Below are clear, friendly, and professional answers to the questions customers ask most often written in a tone you can use in chats, emails, or WhatsApp messages.

General Questions

Q1: What is MotoCura?
MotoCura is a tech startup that makes car ownership and mobility easier. We help customers **rent cars, repair vehicles, or purchase new/pre-owned cars** all through a trusted network of verified service providers.

Q2: Where is MotoCura located?
We currently operate in **Nigeria**, with expansion plans across Africa. You can contact us via WhatsApp, social media, or email for any booking or inquiry.

Q3: How do I use MotoCura services if the app isn't ready?
Simply **message us on WhatsApp, Instagram, or Facebook** with your request — whether you want to rent a car, book a repair, or make a purchase. Our support team will handle everything for you.

Q4: Is MotoCura a verified company?
Yes. MotoCura operates legally under Nigerian business regulations and partners only with verified vendors, mechanics, and logistics providers.

Repair Services

Q5: How do I book a vehicle repair?
Send us your vehicle details (make, model, issue, and location) via WhatsApp or any MotoCura social platform. We'll give you a quote, assign a mechanic, and schedule pickup if needed.

Q6: Are your mechanics certified?
Yes , we only work with **trained, vetted, and certified mechanics** who follow MotoCura's service standards and warranty guidelines.

Q7: How long will my repair take?
It depends on the issue. Minor repairs take **1–2 days**, while major repairs (like engine or transmission work) may take **3–7 days**. We'll update you at every step.

Q8: Do you offer repair warranties?
Yes. All repairs come with a **30–90 day warranty** depending on the service type. If a repaired issue reoccurs within the warranty period, we'll fix it at no extra cost.

Car Rentals

Q9: How do I rent a car from MotoCura?
Send us a message on WhatsApp or Instagram with your rental needs (car type, pickup date, duration). We'll confirm availability and deliver the car to your preferred location.

Q11: Do you offer rentals with drivers?
Yes , you can rent a car **with a driver.**

Q13: What if the car breaks down during my rental?
All vehicles are carefully inspected before leaving for pickup

Vehicle Purchase

Q14: Can I buy cars directly from MotoCura?
Yes. We offer **new and certified pre-owned vehicles** sourced from trusted dealers. You can browse options and book inspections before purchase.

Q15: Do you offer installment payments?
Yes. MotoCura provides **Shariah-compliant (interest-free)** installment plans for qualified buyers.

Q16: Do your vehicles come with warranty?
Absolutely. All vehicles sold through MotoCura include either a **manufacturer's warranty** (for new cars) or a **90-day limited warranty** (for certified pre-owned).

Payments & Refunds

Q17: How do I make payments?
Payments can be made via **bank transfer, POS, or secure payment links** provided by our team. Always confirm you're paying to our official MotoCura account.

Q18: Can I get a refund if I cancel my booking?
Yes, as long as you cancel at least **24 hours in advance**. Refunds are processed within **5–10 business days**.

Q19: Are payments safe?
Yes. We use **secure payment channels** and never store sensitive payment details.

Sustainability & Values

Q20: What makes MotoCura unique?
MotoCura combines **technology, ethics, and sustainability**. We optimize deliveries to cut emissions, follow halal (interest-free) finance principles, and focus on creating jobs in the local automotive ecosystem.

Q21: Is MotoCura eco-friendly?
Yes. Our platform uses **AI-driven route optimization** to reduce fuel waste and lower carbon emissions across deliveries and rentals.

Q22: How do you protect customer data?
We follow strict data protection laws (NDPR). Your information is stored securely, never sold, and used only to serve you better.

Q23: How can I reach MotoCura for support?
📞 **+234 (0) 707 038 5762**
💬 **WhatsApp & Instagram:** @motocura_
📧 **info@motocura.com**

☑ **MotoCura Promise:**
Fast service. Fair pricing. Honest communication. Reliable mobility — always within reach.

ALL PRICES ARE SUBJECTED TO CHANGE AND NONE IS STABLE AS OF NOW
